

The Darlands Conservation Trust

DARLANDS
CONSERVATION TRUST

Darlands Nature Reserve

This 32 ha (80 acre) nature reserve is located in the greenbelt between Totteridge, Mill Hill and Woodside Park and includes woodlands, wetlands, grassland and of course the Darlands lake.

With the support of the community and the London Borough of Barnet, the newly formed Darlands Conservation Trust will protect and rejuvenate this cherished area for wildlife and people, creating opportunities for this and future generations to connect with nature.

The trustees invite you to a presentation of their plans at

Totteridge Village Hall

36 Badgers Croft, London, N20 8AH

On 20th June between 8:00pm – 9:30pm

Please come along to meet the trustees, view and discuss our plans and find out how you can help.
