1st December, 1931.

Dear Sir or Madam,

From time to time as I walk along Walmington Fold I cannot help feeling how the Estate has benefited by work put in on front gardens by Purchasers. To further this and at the same time create a little interest and friendship amongst the residents on the Estate, I am offering three prizes in the Spring, and three prizes in the Summer for the best front gardens, and enclose schedule giving you as far as possible full information. - Later on perhaps the Woodside Park Garden Suburb will have its own Horticultural Society which will encourage competition in the back gardens.

Whether you win a prize or not, I hope you will have lots of pleasure in preparing something for your own enjoyment as well as that of other people.

Whilst writing I am taking the liberty of enclosing two new Brochures. - I have endeavoured to give you satisfaction and if I have been able to do so, then perhaps you will be good enough to pass these Brochures on to your friends with a recommendation. If you do actually interest them and business eventuates, I shall be grateful and shall be pleased to make a suitable recognition.

I need hardly remind you that Mr. Payne (My Sales Manager) will be pleased to receive any addresses you may have.

Yours faithfully,
